**Mission Statement**

Equipping kingdom believers for the work of ministry so all can fulfill the Great Commission and express the heart of God through demonstration of the Great Commandment.

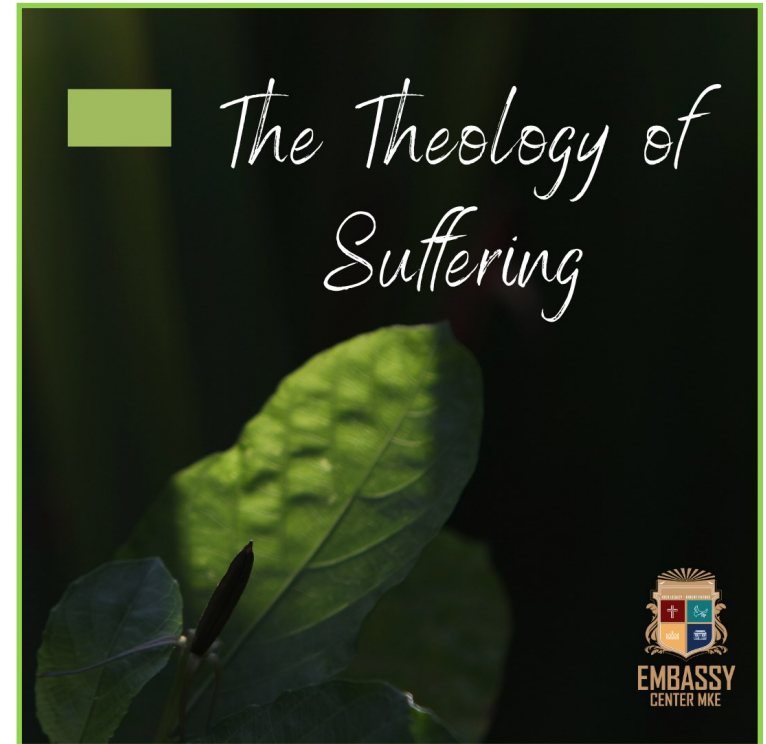

**Vision**

We are an apostolic, regional, governing church that exists to bring light to the world. We are a gateway church, anointed to teach, train, and release men, women, and children to do the works of Jesus Christ. We are a prophetic people and a community of worshippers who love the presence of God and seek to share His presence with others. We are a hub for access to spiritual and natural supports that empower all people to fulfill their God-given purpose. By God's grace, we will faithfully steward the gifts given to us and contribute to the advancement of His kingdom in the Greater MKE area and beyond.

**Special Note:** The Embassy Center MKE (ECMKE) cannot prevent any member from becoming exposed to, contracting, or spreading COVID19 while participating in church services on the premises. It is not possible to prevent against the presence of the disease. Therefore, if you choose to participate in the services and/or enter **ECMKE** premises, you may be exposing yourself to and/or increasing your risk of contracting or spreading COVID19. Given the facts noted above, **ECMKE** is taking great measures to ensure that we minimize the risk of spreading COVID19, utilizing the Center for Disease Control (CDC) Guidelines. We have also consulted with the local City of Milwaukee Public Health Officials on best practices for operations such as ours. With that said, it is imperative that each member follows the procedural guidelines set forth by the **ECMKE** Pastor and Leadership Team. Failure to follow posted guidelines and procedures may result in you being asked to leave the premises. We care too much to allow anyone to be placed at risk any further than the uncertainty that already exist. Thanks very much for your cooperation.
